

## Links to Fee Based Family Educational Experiences

This resource is a link to **fee based (\$)** community activities that can help families interact with community to provide opportunities to learn and build academic language.

<b><i>Fee Based Community Resources</i></b>	<b><i>Description of Educational Experience</i></b>	<b><i>Link to Website</i></b>
<b><i>Boulder City Nevada State Railroad Museum</i></b>	Come ride the Nevada Southern Railway excursion train at the Nevada State Railroad Museum. We are located in historic Boulder City, Nevada; the city that built the Hoover Dam.	<a href="http://www.nevadasouthern.com/">http://www.nevadasouthern.com/</a>
<b><i>Bonnie Springs Ranch</i></b>	Bonnie Springs Ranch is located in Red Rock and offers: an Old Town replica, a zoo, pony rides, horseback riding, and a miniature train ride.	<a href="https://bonniesprings.com/">https://bonniesprings.com/</a>
<b><i>Discovery Children's Museum</i></b>	The mission of DISCOVERY Children's Museum is to provide a vibrant and engaging experience, through exhibits and programs, where children from economically and culturally diverse backgrounds actively participate in playful learning experiences that ignite a love of lifelong learning.	<a href="https://www.discoverykidslv.org/">https://www.discoverykidslv.org/</a>
<b><i>Hoover Dam</i></b>	The Hoover Dam Tour offers a unique way to see, learn and appreciate what Hoover Dam is all about. The Powerplant Tour offers a combination of presentations by Reclamation guides, audio and film presentations, exhibits and other media that provide a comprehensive view of the massive dam and its operations.	<a href="https://www.usbr.gov/lc/hooverdam/">https://www.usbr.gov/lc/hooverdam/</a>
<b><i>Las Vegas Natural History Museum</i></b>	The Mission of The Las Vegas Natural History Museum is to inspire, through educational exhibits and programs, a better understanding and appreciation of the natural world, the sciences, and ourselves.	<a href="http://www.lvnhm.org">http://www.lvnhm.org</a>
<b><i>SeaQuest Interactive Aquarium at the Boulevard Mall</i></b>	Take a trip around the world and discover exotic exhibits full of sea life, rainforest reptiles, tropical birds, vast desert species and much more. Get up-close and personal as you feed and interact with over 300 species and 1,500 animals from every corner of the globe.	<a href="http://seaquestaquariums.com/vegas/">http://seaquestaquariums.com/vegas/</a>
<b><i>The Springs Preserve</i></b>	Las Vegas Springs Preserve consists of 180 acres dedicated to nature walks and displays and is owned and operated by the Las Vegas Valley Water District. The Preserve is located approximately three miles west of downtown Las Vegas, Nevada.	<a href="https://www.springspreserve.org/">https://www.springspreserve.org/</a>
<b><i>Mandalay Bay Shark Reef</i></b>	Shark Reef aquarium is the home of over 2,000 animals including the saw fish, giant rays, endangered green sea turtles, piranha, jellyfish and the rare golden crocodile.	<a href="https://www.mandalaybay.com/en/entertainment/shark-reef-aquarium.html?icid=GMB_Entertainment_SharkReef">https://www.mandalaybay.com/en/entertainment/shark-reef-aquarium.html?icid=GMB_Entertainment_SharkReef</a>
<b><i>National Atomic Testing Museum</i></b>	The National Atomic Testing Museum (NATM) is a national science, history and educational institution that tells the story of America's nuclear weapons testing program at the Nevada Test Site. The Museum uses lessons of the past and present to better understand the extent and effect of nuclear testing on worldwide nuclear deterrence and geo-political history. It provides collection-based exhibits and learning activities for greater public understanding and appreciation of the world in which we live.	<a href="http://nationalatomictestingmuseum.org/">http://nationalatomictestingmuseum.org/</a>
